In addition, without prejudice to such rights of Redox, the Purchaser shall (if so required by Redox) pay interest to Redox on the outstanding amount of the price at the rate of 12% per annum for the period from the due date until the price is paid in full. The granting of credit by Redox to the Purchaser is subject to the approval of Redox's credit insurer. Until that time, the Purchaser shall store the Goods, including goods into which the supplied Goods have been mixed, in such a manner as to show clearly that they are the property of Redox and shall upon Redox's demand deliver up such Goods to Redox. In default of such delivery, Redox may by its servants and agents enter the Purchaser's

premises at any time without notice to repossess the Goods (and the Purchaser irrevocably grants Redox the right and licence to enter any premises or property of the Purchaser without notice) without being in any way liable to the Purchaser or any other party, and the Purchaser agrees to indemnify Redox against any such liability, including Claims made by any third party.
